

2026 CONFERENCE SPONSORSHIP & EXHIBITION PACKAGE OPPORTUNITIES

● ● ● ABOUT PALGNET CONFERENCES

An opportunity to get your brand in front of key decision makers!

Pan African Learning and Growth Network (PALGNET) is an experienced leader in the market providing knowledge to the world of work through various platforms such as conferences, seminars and workshops; through the publishing of learning and growth resources as well as providing membership-based communities for Business Growth and Training Learning and Development (TLD) fraternity and the Institute of Executive Assistants (IEA)-Africa.

PALGNET hosts over 30 learning and development conferences and events a year. Our events are the ultimate place to connect and network with business communities to increase brand awareness, showcase new products, and develop strong business relationships in person and online during two to three days.

Whether you are raising your company profile, launching new products, or creating new business development opportunities, we have a package to suit your needs. Whether you are raising your company profile, launching new products, or creating new business development opportunities, we have a package to suit your needs.

Conference and seminar environments both in person and online (which consist of bigger groups of between 50 to over 100 delegates upwards), feature a wide variety of both local and international speakers. The content consists of case studies, group discussions and presentations.

● ● ● BENEFITS OF GETTING INVOLVED?

1. **Networking and brand recognition opportunities!** Numerous branding and promotion opportunities are available before, during and after the event. Forge new connections. Good conferences offer the opportunity for you to mix in person or virtually, form new relationships and strengthen existing ones.
2. **Showcase your products and expertise** through a mix of networking, speaking, moderating, or exhibition opportunities
3. **Inform your business decisions:** Have conversations with real decision-makers, understand their challenges and ensure that your offerings are aligned with the latest trends and direction of L&D communities.
4. **Meet experts and influencers face-to-face:** Conferences offer the opportunity to meet business leaders and to position yourself as an expert in your field.
5. **Learn in a new space:** Sitting in the same chair, in the same office or in the same environment, can keep you from fresh thinking and new ideas. Breaking out of the office, sitting in a new space, can help you uncover new approaches that will grow your business.
6. **Explore new ways of working:** Get hands-on information that is specific to your business, directly from the experts. A well run conference will help you curate new ideas to help improve your approach. Even though there is lot information on the web, conferences will cut through the clutter to deliver the best content specific to your industry.
7. **Break out of your comfort zone:** Conferences force you to break out of your comfort zone. Breaking out of your comfort zone is just the type of action that is necessary to break out of old ways of thinking.
8. **Get greater focus:** The flip side of learning new things is relearning classic techniques. Conferences create opportunities for greater focus and reflection that could help you take your business to the next level.
9. **Absorb the energy of like-minded individuals:** There's nothing like being in a room of like-minded people – other people who are willing to take time away from the office to learn something new. Other people who want to “better” themselves.
10. **Have fun!** Being in business should be rewarding and fun. Conferences add a layer of enjoyment to managing your career growth by mixing a social aspect into your learning and industry branding efforts.
11. **Grow:** Conferences provide a unique convergence of networking, learning and fun into a single package. A good conference forces you to grow and challenge yourself.
12. **Arrange tailored meetings:** Connect and network directly with your current and potential business partners during the event.
